Paul Mitchell The School Arkansas

SCHOOL FACILITIES

Our programs offer the challenge of a stimulating and rewarding career. Paul Mitchell The School Arkansas is fully equipped to meet all the demands of modern hair care, while at the same time providing a high-tech atmosphere and attitude for progressive personal development. The 6,500 square-feet facility include student lounge and lockers, client reception and work areas, management offices, private classrooms, workstations, and equipment.

Paul Mitchell the School Arkansas is a 6,500 square foot, single story facility and has three curb ramps leading into the main entrance, two of which connect directly to accessible designated parking places.

All doors to the facility are at minimum 32 inches in width, the front and main door being a double door.

The flooring in the facility is concrete. The path to the rest rooms, water cooler, service areas, classrooms and offices are unobstructed and accessible to individuals with disabilities.

Men's and Women's lavatories are both accessible to individuals with disabilities. The water cooler is at an accessible height. The classrooms/lecture halls are free of fixed furnishings and are adjustable to accommodate appropriate accessibility to individuals with disabilities.

The building is equipped with smoke detectors.

Students must abide by local (city and/or landlord) parking rules, which are announced during orientation. Paul Mitchell The School Arkansas will not be responsible for parking violations and/or towing fees.
