COSMETOLOGY/MAKEUP COURSE DESCRIPTION

(SOC 39-5012.00); (CIP 12.0401)

This program is not currently offered.

The state of Idaho requires 1600 hours of education to become licensed as a cosmetologist, however, the school offers a 1700 hour cosmetology/makeup program. The 1700 hour course includes extensive instruction and practical experience in cutting, hair coloring, perming, customer service, personal appearance and hygiene, personal motivation and development, retail skills, client record keeping, business ethics, sanitation, state laws and regulations, salon-type administration, and job interviewing.

Within the additional 100 hours the course will include extensive instruction and practical experience in Fundamentals, Editorial, Special Effects make up, skin care and sanitation. The program also focuses on professional development to include on set etiquette, starting a career as a union make up artist and self marketing.

Graduates are prepared to be an entry level cosmetologist and/or makeup artist.

This course is taught in English. Textbooks and course materials are only offered in the English language.

COSMETOLOGY/MAKEUP COURSE OVERVIEW

Course Hours: 1700 clock hours

The course is divided into pre-clinical classroom instruction and clinic classroom learning experiences.

- **Pre-Clinical Classroom Instruction:** The first 270 hours are devoted to pre-clinical classroom instruction where Future Professionals develop foundational knowledge and practical skills through classroom workshops, demonstrations, theory instruction, and guided practice. Instruction emphasizes design principles, technical procedures, safety and sanitation, professional conduct, and readiness for supervised services.
- **Clinic Classroom Learning Experience:** Future Professionals apply classroom learning through supervised practical instruction and guest services. With coaching and guidance from Learning Leaders, they refine technical skills, consultation and communication, guest experience, product recommendations, and professional work habits. Learning continues through mini-classes, feedback, and structured practice.

COSMETOLOGY/MAKEUP COURSE OUTLINE

- **Core Curriculum:** The Core Curriculum introduces the foundational principles and skills of the program through theory instruction, demonstrations, and hands-on practice. Future Professionals build essential technical knowledge, safety and sanitation practices, client care, and professional habits. Learning Leaders monitor progress, and learning is evaluated through written, oral, and practical methods, as applicable. Completing Core successfully prepares students for the next phase of their education, including supervised clinic classroom experiences.
- **Makeup Academy:** Your experience in the makeup academy will includes extensive instruction and practical experience in makeup artistry. You spend 100 hours in the makeup academy.
- **Clinic Classroom Learning Experience:** In the clinic classroom, Future Professionals provide services to guests under Learning Leader supervision. They keep learning and reinforce classroom instruction through coaching, mini-classes, practical worksheets, and progress evaluations. They practice consultations, service planning,

technical proficiency, guest communication, sanitation and safety, and professional service habits.

- **Classroom Learning Experience:** Classroom education throughout the program includes cutting, coloring, texture, makeup, skin, and nails. Instruction combines theory, demonstrations, and practical application. Additional learning opportunities may address retailing and product knowledge, communication, professional development, motivation, and career readiness, facilitated by appropriate school team members or guest artists.
- **Adaptive Phase:** During the Adaptive phase, Future Professionals expand their knowledge through specialty classroom instruction and progressively challenging practical work. They continue developing technical consistency, problem-solving, guest service, confidence, and professionalism, with feedback and assessments supporting their progress.
- **Creative Phase:** The Creative phase focuses on refining technical and professional abilities as Future Professionals prepare to enter the industry. They apply artistic judgment, strengthen independence and accountability, and practice the standards of guest experience, teamwork, and professional conduct expected in a salon environment, with continued Learning Leader guidance.

4. **Final exam 2:** The written exam covers an overview of all theory instruction, Idaho state law, and other items covered on the state cosmetology exam. Students must receive a grade of 70% or higher on all final exams.
5. **Clinic Practical Skill Assessments:** Future Professionals progress in practical skill assessments and theory hours will be digitally monitored on a weekly basis by the Future Professional Advisor using the Edular app. All assigned practical skill assessments must be completed in order to complete the program.
6. **Practical skills Test.**

COSMETOLOGY/MAKEUP INSTRUCTIONAL TECHNIQUES AND METHODS

The courses are provided through a sequential set of learning steps which address specific tasks necessary for State Board preparation, graduation and job entry level skills. Clinic equipment, implements and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative and productive career oriented activities. The course is presented through well-developed lesson plans that reflect the latest educational methods. Subjects are presented by means of lecture, demonstration, and student participation. Audio-visual aids, guest speakers, field trips, and other related learning methods are used in the course.
