Paul Mitchell The School Chicago

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Generally, schools must have written permission from the eligible student to release any information from a student's education record. The Family Educational Rights and Privacy Act will be available upon request.
