Paul Mitchell The School Chicago

ATTENDANCE AND DOCUMENTATION OF TIME

- The school records attendance in clock hours and gives appropriately earned attendance credit for all hours attended and does not add or deduct attendance hours as a penalty. Attendance is calculated using an attendance tracking app called MyPortico. It is the responsibility of the Future Professional to record their hours by checking in and out through the app. If a Future Professional fails to clock in or out for their schedule, the Future Professional will not receive hours.
  It is the responsibility of the Future Professional to ensure that they are properly clocking in and out as required. If a Future Professional fails to clock in or out for their schedule on the Future Professional time-clock, the Future Professional will not receive hours for the time with missed time punches. To ensure proper credit for clock hours, Future Professionals are required to clock in or out at the following times:
  - When they arrive at school,
  - When they leave for lunch,
  - When they return from lunch,
  - When they leave at the end of the day;
  - If a Future Professional leaves the premises for any reason, and
  - If a Future Professional is taking a break over 10 minutes, they are required to clock out.

  If the Future Professional wishes to dispute any hours they feel earned, the Future Professional must provide documentation to verify attendance on the missing time form. The documentation could include the Future Professional sign in sheet, the specialty class attendance role, and/or the guest service summary.
  If a Future Professional is experiencing timeclock challenges and are unable to clock in or out, they must report the challenge to the Director or Future Professional Advisor within 24 hours.
- The school is open Monday - Friday from 9:30 am to 5:00 pm, Monday - Thursday from 9:30 am to 7:00 pm and Saturday 9:00 am to 1:30 pm.
- The Future Professional must attend school according to the schedule in the Future Professional's enrollment agreement. All programs require continuous attendance.
- Future Professionals must be on time, as tardiness inhibits the learning process. Future Professionals who are late for any class must be accompanied into the classroom by a Learning Leader. Future Professionals are never excused from mandatory theory classes to work in the clinic classroom.
- Attendance Expectation Generally: Future Professionals must maintain a 100% attendance average each month in order to complete the program by the expected/calculated completion date. The school attendance policy requires 88% for Cosmetology (1500/1600), Barbering, Esthetics, and Cosmetology Refresher to maintain satisfactory progress and 90% for Cosmetology Teacher (500/1000) and Barber Teacher (500/1000) to maintain satisfactory progress. Falling below this number means that the Future Professional may receive a coaching on the advisory form for their attendance.
- CORE Attendance Expectation: Future Professionals attend Core for the first weeks of enrollment. During this time, if a Cosmetology Future Professional misses 24 hours or if an Esthetics Future Professional misses 18 hours, the Future Professional may be dropped from the program and may be asked to re-enroll in the next Core class start date.
- Future Professionals are required to be in attendance and actively participating in their education. When a Future Professional is scheduled for attendance but not present, these will be reflected as absent hours. If a Future Professional does not clock in or out properly resulting in the hours not being counted, these will be

reflected in the absent hours unless the missing time form and necessary documentation is provided as outlined in the catalog.
If a Future Professional is absent refer to the school make-up hour policy on how to make-up those hours. Please keep in mind make-up hours and policies are optional for the school to provide and may be changed. Future Professionals will receive clock hours during the times they fully participate in their learning experience.

- Vacation and Planned Time Away (e.g. medical appointments, outside commitments): Future Professionals must request planned time off from school from the Future Professional Advisor and the Financial Services Leader. The approval of any request does not mean that the Future Professional will continue to meet the attendance requirements.
- Unplanned Absences or Tardies: Future Professionals who are late or cannot attend school must contact Paul Mitchell The School Chicago's absent line (312) 445-2424 immediately. All Future Professionals must call in by 9:00 AM.
- Lunches and breaks are scheduled for all Future Professional. All full-time Future Professionals are required to take a 30-minute lunch break between 11:30 AM and 2:00 PM. Future Professional should communicate with their Learning Leader if they have not had lunch by 2:00 PM.
- Documentation of time: Future Professionals may not leave the school premises during regular hours without a Learning Leader's permission.
    - Future Professionals who leave the school premises for more than 10 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having a Learning Leader book them out.
    - Future Professionals who leave the school premises for less than 10 minutes must document their time by clocking out on the time clock.
    - Future Professionals must clock out on the time clock for lunch for 30 minutes every day. Future Professionals will not receive credit for the hour if they fail to clock in/out for lunch.
- Future Professionals can not clock in or out for another Future Professional.
- Future Professionals can not ask others to clock them in or out.
- Future Professionals must keep a record of all services performed each day digitally via the MyPortico app.
- Future Professionals who complete the required number of hours in their course of study, but do NOT complete all of their academic requirements are considered to be an incomplete graduate and are required to continue attending until all requirements are completed. If the student is absent for 14 consecutive calendar days, they will be withdrawn. The School will not release an official transcript until all graduation requirements are met.
- If a Future Professional has been absent for 14 consecutive calendar days, they may be dropped from the program. This includes graduates who have not completed their graduation requirements.
