Paul Mitchell The School Chicago

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward satisfactory completion of the **cosmetology (1500/1600), barbering and esthetics** program include maintaining:

- A minimum cumulative theory grade level of 75% or higher.
- A minimum cumulative academic level of 75% or higher on practical skill assessments.*
- To determine whether a student meets the academic requirements for satisfactory progress, theory and practical grades are averaged together to give a cumulative academic grade of 75% or higher.
- A minimum cumulative attendance of 88% of their scheduled hours.**
- A final practical assessment exam grade of 75% or higher.

** To meet the state practical requirements for graduation, students must complete all assigned practical skill assessments. See LEARNING PARTICIPATION GUIDELINES.*

*** To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.*

A student who has not achieved the minimum cumulative GPA of 75% and/or who has not successfully completed at least a cumulative rate of attendance of 88% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that resulted in a status of Financial Aid Probation.

Factors for measuring the student's progress toward satisfactory completion of the **cosmetology refresher** program include maintaining:

- A minimum cumulative theory grade level of 75% or higher.
- A minimum cumulative academic level of 75% or higher on practical skill assessments.*
- To determine whether a student meets the academic requirements for satisfactory progress, theory and practical grades are averaged together to give a cumulative academic grade of 75% or higher.
- A minimum cumulative attendance of 88% of their scheduled hours.**
- A final practical assessment exam grade of 75% or higher.

** To meet the state practical requirements for graduation, students must complete all assigned practical skill assessments. See LEARNING PARTICIPATION GUIDELINES.*

*** To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.*

A student who has not achieved the minimum cumulative GPA of 75% and/or who has not successfully completed at least a cumulative rate of attendance of 88% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that resulted in a status of Financial Aid Probation.

Factors for measuring the student's progress toward satisfactory completion of the **cosmetology teacher and barber teacher (500/1000 hours) programs** include maintaining:

- A minimum cumulative theory grade level of 90% or higher.
- A minimum cumulative academic level of 90% or higher on practical skill assessments.*
- To determine whether a student meets the academic requirements for satisfactory progress, theory and practical grades are averaged together to give a cumulative academic grade of 90% or higher.

- A minimum cumulative attendance of 90% of their scheduled hours.**
- A final practical assessment exam grade of 90% or higher.
