SCHOOL FACILITIES

CINCINNATI SCHOOL FACILITIES

Our programs offer the challenge of a stimulating and rewarding career. Paul Mitchell The School Cincinnati is fully equipped to meet all the demands of modern hair, while at the same time providing a high-tech atmosphere and attitude for progressive personal development. The 9,529 square-foot facility includes a student lounge and lockers, client reception and work areas, management offices, private classrooms, workstations, and equipment.

Our location is handicapped and wheelchair accessible. Our entrance offers ramp access from the parking lot and double doors. Inside our school the entire school is on one level. We have three rest rooms (1 men, 1 women, 1 general) each of which are wheelchair accessible and all three of them have handicapped stalls. We have three classrooms that have large enough doorways to accommodate wheelchair access. Our emergency exits have wheelchair access ramps. The schools offers drinking fountain access for our guests and students. The drinking fountain is positioned so that someone in wheelchair has access to the fountain. Our clinic floor area contains 60 stations and each of these stations are in a large enough area to accommodate wheel chair access to the stations and room to maneuver a wheel chair to gain access to the clinic chair. Finally, in our wash house, our chairs are movable to accommodate a wheelchair and our shampoo bowls are positioned low enough so that a wheelchair may access the bowls.

Students must abide by local (city and/or landlord) parking rules, which are announced during orientation. Paul Mitchell The School Cincinnati will not be responsible for parking violations and/or towing fees.
