Paul Mitchell The School Cleveland & Columbus

ADMINISTRATION/OWNERSHIP

Paul Mitchell The School Cleveland and Paul Mitchell The School Columbus are proud to have on-site School Administrators who have accomplished careers in a variety of industries. Our experiences transfer directly to the school's training philosophies. We care about our Future Professional's education, and this is inherent in the conduct of our school. Our role as an educational facility enables us to offer an incredible environment for Future Professionals to learn and grow. We develop our administration, instruction and graduation policies based on the higher good of our Future Professionals.
