Paul Mitchell The School Esani

SCHOOL FACILITIES

Our programs offer the challenge of a stimulating and rewarding career. Paul Mitchell The School Esani is 20,000 square feet fully equipped to meet all the demands of modern hair and skin care, while at the same time providing a high-tech atmosphere and attitude for progressive personal development. The facilities include student lounge and lockers, client reception and work areas, management offices, private classrooms, workstations, and equipment. Our campus includes this building, all sidewalks surrounding the building, and the parking lots.

In keeping with the City of Alpharetta's building code, Paul Mitchell The School Esani's facilities are designed and built to accommodate physically disabled students and service guests. There are three reserved parking spaces for disabled visitors/students at the front of the school and a wheel chair ramp leading to the front entrance. The building has only one level and all parts of the school, including classrooms, the clinic floor, and break areas are wheel chair accessible. In addition, every restroom in the school has wheel chair accessible facilities (stalls and sinks), including the main women's and men's restrooms as well as two individual student restrooms.

Students must abide by local (city and/or landlord) parking rules, which are announced during orientation. Paul Mitchell The School Esani will not be responsible for parking violations and/or towing fees.
