Paul Mitchell The School Esani

BARBERING COURSE INFORMATION

BARBERING COURSE DESCRIPTION

Barbering: Standard Occupational Classification *(SOC 39-5011.00):*
Classification of Instructional Programs (CIP 12.0402)
The curriculum involves 1500 hours to satisfy Georgia state requirements. The course includes extensive instruction and practical experience in men's cutting, hair coloring, texture, men's grooming, customer service, personal appearance and hygiene, personal motivation and development, retail skills, client record keeping, business ethics, sanitation, state laws and regulations, salon-type administration, and job interviewing.

Graduates are prepared to become entry level barbers.
This course is taught in English. Textbooks and course materials are only offered in the English Language.

BARBERING COURSE OVERVIEW

Course Hours: 1500 clock hours

The course is divided into classroom instruction and clinic learning experiences.

- **Classroom Instruction**: The first 280 hours are devoted to theory and classroom workshops where students learn design principles, technical information, and professional practices. Your classroom time from 281 to 1500 hours is divided into theory classes, along with four (4) areas: cutting, coloring, texture, and men's grooming. Each area has a specialist in the field who conducts the specialty classes. The classes may also include guest artists, retail, motivation, self-improvement, and professional development. After completing 1200 hours, you will also participate in Final Phase classes that specifically prepare you for the State Board examinations.
- **Clinic Classroom Learning Experience**: After the first 280 hours of classroom training, a portion of the remaining 1220 hours is spent on the clinic classroom where you will be guided with individual attention and group learning experiences using workshops, monthly worksheets, and practical evaluations developed specifically for monitoring progress. This is also when you begin working on paying clients in the clinic classroom area.

BARBERING COURSE OUTLINE

Your time at Paul Mitchell The School Esani for the barbering program will be divided into four phases:

1. **Core Curriculum**: A 210-hour orientation, known as the Core program, instills the basic fundamentals. Students are graded and evaluated using written, oral, and practical testing methods. Students must successfully complete the Core curriculum prior to attending regularly scheduled daily classes in cutting, coloring, permanent waving, and chemical texture services.
2. **Protégé Learning Experience**: Your experience as a Protégé produces a smooth transition from Core student to Adaptive student. You spend approximately 70 hours as a Protégé preparing you for the clinic classroom experience.

3. **Adaptive Curriculum**: From 280 to 800 hours you will enter a new phase of classroom specialty workshops coupled with challenging practical services designed to continue building you into a confident barber.
4. **Creative Curriculum**: You will spend your last 700 hours at Paul Mitchell The School Esani in “high gear” by dressing, acting, and working like a beauty industry professional. You will use your own artistic and creative abilities, coupled with the assistance of the Learning Leaders, to prepare yourself for your future beauty industry career.

BARBERING PROGRAM TESTING AND GRADING PROCEDURE

The following tests and grading procedures are used to assess student learning and mastery of course content in the 1500-hour course:

1. **Academic theory exams**: Students must receive a grade of 2.0 (75%) or higher on each assigned theory exam.
2. **Core written and practical skills evaluation:** Students must receive a grade of 2.0 (75%) or higher on each written exam and each practical skill exam in order to complete the Core program. All Core written and practical skill exams must be passed with a 75% in order to transition to the Clinic Classroom. If students are unable to pass each exam after two attempts, the student may be asked to withdraw from the program and re-enroll in the next available Core class start date.
3. **Final exam**: The written exam covers an overview of all theory instruction, Georgia state law, and other items covered on the state cosmetology exam. Students must receive a grade of 2.0 (75%) or higher on all final exams.
4. **Clinic Practical Skill Assessments:** Future Professionals progress in practical skill assessments and theory hours will be digitally monitored on a weekly basis by the Future Professional Advisor using the MyPortico app. All assigned practical skill assessments must be completed in order to complete the program.
