THE MAKEUP SYSTEM APP

This app has all you need to draw and create any makeup design, including high-fashion, runway, avant-garde, photo shoot, or everyday looks. The Makeup System app is a must for all who love makeup, including new makeup artists and seasoned professionals.

Special features of the app include:

- View video tutorials on cheek, eye, and lip application.
- Build your own face chart by selecting from various face sizes, skin tones, eye shapes, and lip shapes.
- Utilize the large color palette to include pastel, neutral, bold, and shimmer shade; all colors can be layered, blended, and smudged.
- The seven makeup brushes include a thin liner, lip, fan, angled liner, blush, and two shadow brushes.
- Utilize various tools, including a pencil eraser to erase or clean unwanted lines; two different sponges for blending; and a pencil to be used as an eye, lip, or brow liner.
- A special “layer” option allows you to better “draw within the lines” in the foreground or background of the face chart.
- A zoom feature allows drawing details on the eyes, lips, or any area of the face chart.
- Create and label multiple collections of face charts that can be saved and e-mailed to others.

CONNECTING TO MY FUTURE APP

Connecting to My Future is a professional development app designed to help transform yourself into your new role as a successful, confident, and knowledgeable salon, spa, or barbering professional. Having this strong foundation is key to success in the beauty and barbering industries.

This book focuses on the following:

- Essential skills — Also known as “soft skills,” and include communication, empathy, mindfulness, social and emotional IQ, the Be Nice culture, being a team player, and more.
- Career services — Teaches professional career preparedness skills and provides the hiring opportunity connections for school graduates with salon, spa, and barbershop owners and managers.
- Financial literacy — This is how students gain a financial education and the confidence to properly manage and understand their money.

Each chapter of the app connects the reader with inspirational and experienced mentors, along with activities, videos, and MASTERS Podcast interviews.

THE SKILL CARDS APP

The Skill Cards App is a comprehensive, digital technical reference that supports Future Professionals across all core disciplines, including cutting, color, barbering, short hair, style and texture, makeup, skin, and nails. Designed to build strong habits, reinforce practical theory, and develop confident hands-on skills, the Skill Cards provide step-by-step technical procedures, diagrams, key points, technical adaptations, formulas, product guidance, and subject-specific fundamentals in one unified system. Used in both the classroom and clinic classroom, the Skill Cards serve as a quick-reference learning tool, guided practice support, and ongoing study resource throughout a learner’s education and beyond.
