Paul Mitchell The School Esani

NAIL CARE COURSE INFORMATION

NAIL CARE COURSE DESCRIPTION

Nail Care: Standard Occupational Classification *(SOC 39-5092.00):*
Classification of Instructional Programs (CIP 12.0410)
The curriculum involves 600 hours necessary to satisfy Georgia State requirements. The course of study includes extensive instruction and practical experience in manicures, pedicures, massage, customer service, personal appearance & hygiene, personal motivation & development, retail skills, client record keeping, business ethics, as well as sanitation, Georgia state laws & regulations, salon-type administration, and job interviewing. The school delivers instruction in the form of powerpoints, keynotes, apps, lectures, hands-on applications and role playing.

Graduates are prepared to become entry level manicurists.
This course is taught in English. Textbooks and course materials are only offered in the English Language.

NAIL CARE COURSE OVERVIEW

Course Hours: 600 clock hours

The course is divided into pre-clinical instruction and clinical service learning experiences.

- **Classroom Instruction**: The first 140 hours are devoted to classroom workshops, where students learn nail care principles, technical information and professional practices.
- **Clinic Classroom Learning Experience**: The remaining 460 hours are spent in the clinic classroom where practical experience is gained.

NAIL CARE COURSE OUTLINE

Each student's time at Paul Mitchell The School Esani nail care program will be divided into two (2) designations:

- **Core Curriculum**: Pre-Clinical classroom to learn the rules and prepare for the guest services.
- **Creative Curriculum**: Final phase of nail technician classroom and clinic classroom learning that prepares the future professional for licensing and salon and spa life. Sudents will enter a new phase of classroom workshops, coupled with challenging practical services that will continue to build them into confident nail care specialists.
