WARNING

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Warning and will be considered to be making satisfactory academic progress during the warning period until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, the student may be placed on probation and, if applicable, the student may be deemed ineligible to receive Title IV funds. The warning period applies to all students regardless if they receive financial aid or not, if applicable.
