MAKE UP HOURS

Students may make up missed hours throughout their enrollment in school. Make up hours will be approved by the school at its sole discretion and must be approved by the Future Professional Advisor, Education Leader, or Director. Make up hours can occur on the days and times designated below outside of your regular scheduled hours. Future professionals must complete a Future Professional Make Up Request Form indicating the date, time, activity completed, and the name of the Learning Leader who supervised the make up time. Students cannot make up hours ahead of anticipated missed time, in other words, a student cannot exceed 100% attendance. Make up time may only be submitted for time periods greater than 15 minutes.

Available make up hours (as approved by school):

Monday - Friday 8:30 am to 6:30 pm.
