COSMETOLOGY PROGRAM OVERVIEW

Program Hours: 1200 clock hours

The program is divided into pre-clinical classroom instruction and clinical service learning experiences.

- **Pre-clinical Classroom Instruction:** The first 210 hours are devoted to classroom workshops where students learn design principles, technical information, and professional practices.
- **Clinic Floor Learning Experience:** The remaining 990 hours are spent in the clinic floor area where practical experience is gained.
- **Distance Education Learning Experience:** Students enrolled in the program with distance education will complete a portion of their education through online learning.

COSMETOLOGY PROGRAM OUTLINE

Your time at Paul Mitchell The School Fort Myers for the cosmetology program will be divided into six designations:

- **Core Curriculum**: A 210-hour orientation, known as the Core program, instills the basic fundamentals. Students are graded and evaluated using written, oral, and practical testing methods. Students must successfully complete the Core curriculum prior to attending regularly scheduled daily classes in cutting, color, permanent waving, and chemical texture services.
- **Protégé Learning Experience:** Your experience as a Protégé produces a smooth transition from Core student to Adaptive student. You spend 70 hours preparing for the clinic classroom experience.
- **Clinic Classroom Learning Experience:** Your clinic floor time from 280 to 1200 hours will be guided with individual attention and group learning experiences using workshops, monthly worksheets, and periodic exams developed specifically for monitoring progress. This is when you begin working on paying service guests in the clinic classroom.
- **Classroom Learning Experience:** Your classroom time from 280 to 1200 hours is divided into five (5) areas: cutting, coloring, texture, makeup, and nails. Each area has an instructor who conducts the different specialty classes each week; Classroom Learning Experiences may also include retail, motivation, self improvement,

professional development, and attendance education which may be conducted by an instructor, non-licensed staff member or guest artist.

- **Adaptive Curriculum**: From 280 to 600 hours, you will enter a new phase of specialty classroom workshops coupled with challenging practical services designed to continue building your skills as a future beauty industry professional.
- **Creative Curriculum**: You will spend your last 600 hours in Paul Mitchell The School Fort Myers in "high gear" by dressing, acting, and working like a true salon professional. You will use your own artistic and creative abilities, coupled with the assistance of the Learning Leaders, to prepare yourself for your future beauty industry career.

COSMETOLOGY PROGRAM TESTING AND GRADING PROCEDURE

The following tests and grading procedures are used to assess student learning and mastery of course content in the 1200-hour course:

1. **Academic theory exams:** Students must receive a grade of 75% or higher on each assigned theory exam. Exams are completed at the conclusion of each online theory module. Depending on the length of the distance education module, theory exams will occur weekly or bi-monthly. The theory exams will evaluate the student's academic performance for each subject of the distance education curriculum.
2. **Core written and practical skills evaluation:** Students must receive a grade of 75% or higher on each written exam and each practical skill exam in order to complete the Core program. The exams are an overview of instruction taught during the Core schedule. All Core written and practical skill exams must be passed with a 75% in order to transition to the Clinic Classroom. If students are unable to pass each exam after two attempts, the student may be asked to withdraw from the program and re-enroll in the next available Core class start date. The core written and practical skills evaluation must be completed within the school facility and cannot be taken through distance education.
3. **Final Exam 1:** This exam covers an overview of all related cosmetology subjects (e.g., anatomy, chemistry, etc.). Students must receive a grade of 75% or higher on all final exams. Final Exam 1 must be completed within the school facility and cannot be taken through distance education.
4. **Final Exam 2:** The written exam covers an overview of all theory instruction, Florida state law, and other items covered on the state cosmetology exam. Students must receive a grade of 75% or higher on all final exams. Final Exam 2 must be completed within the school facility and cannot be taken through distance education.

5. **Clinic Practical Skill Assessments:** Future Professionals progress in practical skill assessments and theory hours will be digitally monitored on a weekly basis by the Future Professional Advisor using My Portico App. All assigned practical skill assessments must be completed in order to complete the program.
6. **Distance education assessments:** Students must complete a distance education written assessment and practical skill assessment. These are based on performance and must be completed on-campus each month. The distance education assessment will focus on the distance education subjects covered during that time period. Students must receive a grade of 75% or higher on each distance education written assessment and each practical skill assessment. Only students enrolled in the distance education program are required to complete these assessments.
