Paul Mitchell The School Great Lakes

ESTHETICS EDUCATION KIT

The Esthetics Education Kit is included in the cost of tuition, for students who pay for the full program. Transfer students are responsible to purchase the education kit at an additional cost from the published tuition.

THE MAKEUP SYSTEM APP

This app has all you need to draw and create any makeup design, including high-fashion, runway, avant-garde, photo shoot, or everyday looks. The Makeup System app is a must for all who love makeup, including new makeup artists and seasoned professionals.

Special features of the app include:

- View video tutorials on cheek, eye, and lip application.
- Build your own face chart by selecting from various face sizes, skin tones, eye shapes, and lip shapes.
- Utilize the large color palette to include pastel, neutral, bold, and shimmer shade; all colors can be layered, blended, and smudged.
- The seven makeup brushes include a thin liner, lip, fan, angled liner, blush, and two shadow brushes.
- Utilize various tools, including a pencil eraser to erase or clean unwanted lines; two different sponges for blending; and a pencil to be used as an eye, lip, or brow liner.
- A special “layer” option allows you to better “draw within the lines” in the foreground or background of the face chart.
- A zoom feature allows drawing details on the eyes, lips, or any area of the face chart.
- Create and label multiple collections of face charts that can be saved and e-mailed to others.

PLUGGED IN APP

Plugged In is an enhanced educational and resource tool, exclusive to Paul Mitchell Schools, that enables our Future Professionals to stay connected with their education inside and outside of the classroom.

Features and Access Includes:

- Paul Mitchell Schools System Apps – Future Professionals will have access to The Color System, The Cutting System, and The Makeup System apps from within the Plugged In app.
- My Profile Access – Future Professionals will have access to view and update their profile information within the Plugged In app.
- Plugged In – Future Professionals will have access to all content found on our Plugged In educational and resource website. This content includes:
- Multiple Intelligence, MASTERS, Careers, Professional Development, Mentors, Education, Giving Back, Caper, Media, Contests, Product, and The Buzz.
- Messages – Future Professionals will have the ability to view and receive individual or group messages from their school leaders.

CONNECTING TO MY FUTURE APP

Connecting to My Future is a professional development app designed to help transform yourself into your new role as a successful, confident, and knowledgeable salon, spa, or barbering professional. Having this strong foundation is key to success in the beauty and barbering industries.

This book focuses on the following:

- Essential skills — Also known as “soft skills,” and include communication, empathy, mindfulness, social and emotional IQ, the Be Nice culture, being a team player, and more.
- Career services — Teaches professional career preparedness skills and provides the hiring opportunity connections for school graduates with salon, spa, and barbershop owners and managers.
- Financial literacy — This is how students gain a financial education and the confidence to properly manage and understand their money.

Each chapter of the app connects the reader with inspirational and experienced mentors, along with activities, videos, and MASTERS Podcast interviews.

Be Nice or Else iBook ISBN-13: 978-0-974-993-99-7

MAKEUP PORTFOLIO

The Makeup Portfolio is a comprehensive workbook designed for students and professionals in the makeup industry. It guides users through various makeup techniques, from foundational skills to advanced applications, while also emphasizing the importance of building a professional portfolio.

My Portico App.

My Portico App.is a student success platform purpose-built for vocational education programs. It’s student-driven, mobile-first approach improves the entire student lifecycle—helping more students get from day one to graduation day. My Portico App collects timely and accurate data from every learning environment, visualizes it into accessible dashboards, and automatically acts on it to intervene with at-risk students and celebrate student wins. Students input completed skills into the My Portico App student app. Depending on your program requirements, they can submit files including pictures, PDFs, and short videos alongside their skills. Instructors have a queue of skills that they can approve/reject with the touch of a button, or grade the skill depending on your program requirements. If skills need review by an external party like a site preceptor, you trigger competency evaluations after every skill, a set of skills, or a certain period of time.

QNITY

Visually engaging financial education for schools with cosmetology program, Honoring students’ creativity, passion and heart. In this revolutionary program, students will be led on a visual journey covering timeless MONEY topics that will provide financial literacy education that is both relevant and engaging. Each module is led by a unique guide and includes five video lessons, assessments, activities, discussion questions, and real-life MONEY stories from experienced professionals.

Transfer students are responsible to purchase the education kit at an additional cost from the tuition. The cost of the education kit is $250.00.
