INSTRUCTOR COURSE INFORMATION

INSTRUCTOR COURSE DESCRIPTION

INSTRUCTOR: ***(SOC) 25.1194.00 (CIP) 12.0413***

*****The instructor program is by invitation only***

The curriculum involves 600 hours which meets Michigan state requirements. The course educates prospective instructor teachers to address the needs of students in the classroom and the clinic floor. The prospective instructors learn to manage their thoughts with the system of forward-focused thinking by front-end coaching. By learning the methods of teaching cosmetology, the prospective instructors learn to engage students in the learning process and stimulate the discovery process with visuals, music, or learning activities.

**Graduate's are prepared to be entry level instructor.*

This course is taught in English. Textbooks and Course Materials are only offered in the English Language.

***The instructor (600) program is approved as a brick & mortar program and a hybrid distance education*

INSTRUCTOR COURSE OVERVIEW

Course Hours: 600 clock hours

The cosmetology teacher course is divided into pre-clinical instruction and clinical service learning experiences.

- **Pre-clinical Classroom Instruction:** The first 125 hours are devoted to classroom workshops, where the instructor learns teaching principles, technical information and professional practices.
- **Clinic Classroom Learning Experience:** The remaining 475 hours are spent in the clinic area where practical experience is gained.

INSTRUCTOR COURSE OUTLINE

Your time at Paul Mitchell The School Great Lakes for the instructor program will be divided into three designations:

- **Postgraduate Training:** A section is a refresher on cosmetology skills, where you will complete worksheets and take cosmetology written exams.
- **Psychology and Methodology:** These classes focus on the theory of teaching, using *Milady's Master Educator* textbook, including weekly tests.
- **Student Teaching:** You will learn to write lesson plans and do actual teaching from your lesson plans. There will be a practical teaching evaluation of your teaching skills.

Rationale for Longer Hours for Short Programs: Based on feedback received we found it necessary to increase the hours for our short programs. Doing so is a direct advantage to Future Professionals for their employment preparedness, academic success, and industry needs.

Distance Education hours and assignments are graded and recorded daily. Theory chapter exams, final exams and final practical evaluations must completed in the school facility.

INSTRUCTOR PROGRAM TESTING AND GRADING PROCEDURE

The following tests and grading procedures are used to assess student learning and mastery of course content in the 600-hour course:

1. **Theory Exam:** Students must receive a grade of 75% or higher on each theory exam. Theory exams cover a review of the *Milady's Master Educator Student Course book.* The Theory exams must be completed within the school facility and cannot be taken through distance education.
2. **Final Exam:** Students must receive 75% or higher on each final exam; final exams cover a complete overview of the *Milady's Master Educator Student Course book.* The Final exam must be completed within the school facility and cannot be taken through distance education.

INSTRUCTOR INSTRUCTIONAL TECHNIQUES AND METHODS
