COSMETOLOGY COURSE OUTLINE

Your time at Paul Mitchell The School Michigan for the cosmetology 1600 hour program will be divided into seven designations:

- **Core Curriculum:** A 350 hour orientation, known as the Core program, instills the basic fundamentals. Students are graded and evaluated using written, oral, and practical testing methods. Students must successfully complete the Core curriculum prior to attending regularly scheduled daily classes in cutting, coloring, permanent waving, and chemical texture services.
- **Protégé Experience:** Your experience as a Protégé produces a smooth transition from Core student to Adaptive student. You spend 70 hours as a Protégé preparing you for the clinic experience.

- **Clinic Classroom Experience:** Your clinic time from 350 to 1600 hours will be guided with individual attention and group learning experiences using workshops, monthly mini-classes, clinic classroom worksheets, and periodic evaluations developed specifically for this monitoring progress. This is when you begin experiencing your clinic classroom education on paying clients in the clinic classroom area.
- **Classroom Learning:** Your classroom time from 350 to 1600 hours is divided into five (5) areas: cutting, coloring, texture, makeup, and nails. Each area has an instructor who conducts the different specialty classes each week. Classroom Learning Experiences may also include retail, motivation, self improvement, professional development, and attendance education which may be conducted by an instructor, non-licensed staff member or guest artist.
- **Master Makeup Curriculum:** During this 100 hour phase, students will master the knowledge and skills in makeup artistry and gain a strong foundation of: cosmetic chemistry, sanitation, make overs, natural application, evening application, camouflage, corrective, character, high-definition photography, editorial, glamour, and bridal work. Students will learn sales techniques, advanced product usage, and customer relations in preparation for work as makeup artists in salons and spas, on set, in the studio or paramedical spas, or for freelance makeup career opportunities. Students must have a passing grade of 80% in all areas.
