Paul Mitchell The School Nampa

NAIL TECHNOLOGY EDUCATION KIT

The Nail Technology Education Kit is included in the cost of tuition, for students who pay for the full program. Transfer students are responsible to purchase the education kit at an additional cost from the published tuition.

THE SKILL CARDS APP

The Skill Cards App is a comprehensive, digital technical reference that supports Future Professionals across all core disciplines, including cutting, color, barbering, short hair, style and texture, makeup, skin, and nails. Designed to build strong habits, reinforce practical theory, and develop confident hands-on skills, the Skill Cards provide step-by-step technical procedures, diagrams, key points, technical adaptations, formulas, product guidance, and subject-specific fundamentals in one unified system. Used in both the classroom and clinic classroom, the Skill Cards serve as a quick-reference learning tool, guided practice support, and ongoing study resource throughout a learner's education and beyond.

The Skill Cards are also available as an app in English and Spanish.

PLUGGED IN APP

Plugged In is an enhanced educational and resource tool, exclusive to Paul Mitchell Schools, that enables our Future Professionals to stay connected with their education inside and outside of the classroom.

Features and Access Includes:

- Paul Mitchell Schools System Apps – Future Professionals will have access to The Color System, The Cutting System, and The Makeup System apps from within the Plugged In app.
- My Profile Access – Future Professionals will have access to view and update their profile information within the Plugged In app.
- Plugged In – Future Professionals will have access to all content found on our Plugged In educational and resource website. This content includes:
- Multiple Intelligence, MASTERS, Careers, Professional Development, Mentors, Education, Giving Back, Caper, Media, Contests, Product, and The Buzz.
- Messages – Future Professionals will have the ability to view and receive individual or group messages from their school leaders.

CONNECTING TO MY FUTURE APP

Connecting to My Future is a professional development app designed to help transform yourself into your new role as a successful, confident, and knowledgeable salon, spa, or barbering professional. Having this strong foundation is key to success in the beauty and barbering industries.

This book focuses on the following:

- Essential skills — Also known as "soft skills," and include communication, empathy, mindfulness, social and emotional IQ, the Be Nice culture, being a team player, and more.

- Career services — Teaches professional career preparedness skills and provides the hiring opportunity connections for school graduates with salon, spa, and barbershop owners and managers.
- Financial literacy — This is how students gain a financial education and the confidence to properly manage and understand their money.

Each chapter of the app connects the reader with inspirational and experienced mentors, along with activities, videos, and MASTERS Podcast interviews.

EDULAR

Edular is the student success platform used by the school to support education programs. Its student-driven, mobile first design enhances the student experience, helping Future Professionals stay organized and on track from enrollment through graduation.

Edular provides a centralized hub where students can:

- Access and complete required documents – Enrollment forms and other school documents are sent and stored within the Edular app for convenient and secure submission.
- Track academic progress – Through the Edular Skills Tracker, students can record completed skills, upload supporting materials such as photos, PDFs, and short videos, and submit skills for instructor review. Instructors can approve, reject, or grade submissions according to program requirements.
- Monitor program details – Students can view real-time information from the school's Student Information System (Freedom), including Attendance Percentage, GPA, Program Details, Last Date of Attendance (LDA), Start Date, End Date, and additional information related to their enrollment.
- Engage in streamlined financial processes – Edular integrates with the school's payment portal system to provide efficient workflows and greater transparency for student financial accounts.

Transfer students are responsible to purchase the education transfer package at an additional cost from the tuition. The cost of the education transfer package is $134.00.
