INSTRUCTOR COURSE INFORMATION

INSTRUCTOR COURSE DESCRIPTION

Standard Occupational Classification (SOC) 25-1194.00
Classification of Instructional Programs (CIP) Code 12.0413

The curriculum involves 300 hours for the instructor to satisfy Tennessee state requirements. The course educates prospective cosmetology instructor to address the needs of students in the classroom and the clinic floor. Prospective teachers learn to utilize a system of forward-focused thinking and front-end coaching. By learning the methods of teaching cosmetology, the prospective teachers learn to engage students in the learning process and stimulate the discovery process with visuals, music, and/or hands-on activities.

**Graduates are prepared to become an entry level instructor.*

This course is taught in English. Textbooks and course materials are only offered in the English Language.

INSTRUCTOR COURSE OVERVIEW

Course Hours: 300 clock hours

The course is divided into Methodology instruction and Student Teaching experiences.

- **Methodology:** Student Instructors develop foundational knowledge of educational principles, instructional methods, and teaching practices through classroom instruction, textbook study, and assessments. Emphasis is placed on understanding how students learn, effective communication, classroom management, and instructional preparation.
- **Student Teaching:** Student Instructors apply instructional knowledge through lesson planning, supervised teaching, and practical classroom experiences. With guidance and feedback, they strengthen presentation skills, instructional delivery, classroom leadership, and their ability to evaluate student learning.

INSTRUCTOR COURSE OUTLINE

- **Methodology:** Instruction focuses on the theory and principles of teaching using *Milady's Master Educator* textbook. Student Instructors explore instructional techniques, learning principles, classroom management, and educational practices, with progress evaluated through weekly assessments.
- **Student Teaching:** Student Instructors develop lesson plans and gain practical teaching experience by delivering instruction based on their prepared lessons. Through supervised teaching, coaching, and practical teaching evaluations, they refine instructional techniques, communication, classroom management, and professional teaching skills.
