MAKE-UP HOURS

Students can makeup hours during designated course times the student is not normally scheduled for attendance. Students may begin attending makeup hours after Core and Protégé programs are complete. Make-up time will only be allowed for students until a cumulative attendance percentage of 100% is achieved. Students must complete a Future Professional Make-up hour request form indicating the date, time, activity completed, and the name of the Learning Leader who supervised the make-up time. Students must be productive at all times. Students must be in dress code and have their kit in its entirety. The Make-Up Request Form must be turned in to the Service Desk Coordinator at the completion of the makeup hour day. Failure to comply with the policy may lead to the ability to make up hours being revoked.
