Paul Mitchell The School San Diego

TRANSFERRING FROM ONE METHOD OF DELIVERY TO ANOTHER

A currently enrolled student may transfer from a traditional method of delivery program to a hybrid (distance education) method of delivery program, if the student within the same program, and if the program is available. The student would need to complete an enrollment agreement addendum to enroll into the program they are transferring to

*****The school is currently not offering the following programs: Cosmetology Makeup Hybrid Distance Education , Cosmetology Hybrid Distance Education, Barbering Hybrid Distance Education, and Esthetics Hybrid Distance Education programs***
