The state of California requires 1000 hours of education to become licensed as a cosmetologist, however, the school offers a 1245-hour cosmetology-makeup program. The 1245-hour course includes extensive instruction and practical experience in cutting, hair coloring, perming, customer service, personal appearance and hygiene, personal motivation and development, retail skills, client record keeping, business ethics, sanitation, state laws and regulations, salon-type administration, and job interviewing.

Within the additional 245 hours the course will include extensive instruction and practical experience in fundamentals, editorial, special effects make up, skin care and sanitation. The program also focuses on professional development to include on set etiquette, starting a career as a union make up artist and self marketing.

**Graduates are prepared for an entry level cosmetology and/or makeup artist.*

This course is taught in English. Textbooks and Course Materials are only offered in the English Language.

**The Board of Barbering and California (BBC) does not regulate the additional 245-hour in make-up*

***The cosmetology make-up program is approved as a brick & mortar program and a hybrid distance education*

COSMETOLOGY MAKE-UP COURSE OVERVIEW

Course Hours: 1245 clock hours

The course is divided into pre-clinical classroom instruction and clinical service learning experiences.

- **Pre-clinical Classroom Instruction**: The first hours are devoted to classroom workshops where students learn design principles, technical information, and professional practices.
- **Clinic Classroom Learning Experience:** The remaining hours are spent in the clinic area where practical experience is gained.
- **Distance Education Learning Experience**: Students enrolled in the program with distance education will complete a portion of their education through online learning.

COSMETOLOGY MAKE-UP COURSE OUTLINE

Your time at Paul Mitchell The School San Diego for the cosmetology make-up program will be divided into six designations:

- **Core Curriculum**: The first hours, called orientation, known as the Core program, instills the basic fundamentals. Students are graded and evaluated using written, oral, and practical testing methods. Students must successfully complete the Core curriculum prior to attending regularly scheduled daily classes in cutting, coloring, permanent waving, and chemical texture services.
- **Protégé Learning Experience**: Your experience as a Protégé produces a smooth transition from Core student to Adaptive student. You spend the next hours as a Protégé preparing you for the clinic classroom experience.
- **Clinic Classroom Learning Experience**: Your clinic time, on the clinic classroom, will be guided with individual attention and group learning experiences using mini-classes, monthly worksheets, and periodic evaluations developed specifically for this monitoring progress. This is when you begin experiencing your clinic classroom

education on paying clients in the clinic classroom

- **Classroom Learning Experience**: Your classroom time is divided into five (5) areas: cutting, coloring, texture, makeup, and nails. Each area has an instructor in the field who conducts the different elective classes each week; Classroom Learning Experiences may also include retail, motivation, self improvement, professional development, and attendance education which may be conducted by an instructor, non-licensed staff member or guest artist.
- **Adaptive Curriculum**: As an adaptive you will enter a new phase of elective classroom workshops coupled with challenging practical services designed to continue building you into a confident designer.
- **Creative Curriculum**: You will spend your last hours at Paul Mitchell The School San Diego in “high gear” by dressing, acting, and working like a true professional. You will use your own artistic and creative abilities, coupled with the assistance of the Learning Leaders, to prepare yourself for your future beauty industry career.

COSMETOLOGY MAKE-UP PROGRAM TESTING AND GRADING PROCEDURE

The following tests and grading procedures are used to assess student learning and mastery of course content in the 1245-hour course.

1. **Academic theory exams**: Students must receive a grade of 75% or higher on each assigned theory exam. Exams are completed at the conclusion of each online theory module. Depending on the length of the distance education module, theory exams will occur weekly or bi-monthly. The theory exams will evaluate the student's academic performance for each subject of the distance education curriculum
2. **Core written and practical skills evaluation:** Students must receive a grade of 75% or higher on each written exam and each practical skill exam in order to complete the Core program. The exams are an overview of instruction taught during the Core schedule. All Core written and practical skill exams must be passed with a 75% in order to transition to the Clinic Classroom. If students are unable to pass each exam after two attempts, the student may be asked to withdraw from the program and re-enroll in the next available Core class start date. The Core written and practical skills evaluation must be completed within the school facility and cannot be taken through distance education.

3. **Final exam 1**: This test covers an overview of all related cosmetology subjects (e.g., anatomy, chemistry, etc.). Students must receive a grade of 75% or higher on all final exams. Final Exam 1 must be completed within the school facility and cannot be taken through distance education.
4. **Final exam 2:** The written exam covers an overview of all theory instruction, California state law, and other items covered on the state cosmetology exam. Students must receive a grade of 75% or higher on all final exams. Final Exam 2 must be completed within the school facility and cannot be taken through distance education.
5. **Clinic Practical Skill Assessments**: Students progress in practical skill assessments and theory hours will be digitally monitored on a weekly basis by the Future Professional Advisor using My Portico App. All assigned practical skill assessments must be completed in order to complete the program.
6. **Distance Education Assessments**: Students must complete a distance education written assessment and practical skill assessment. These are based on performance and must be completed on-campus each month. The distance education assessment will focus on the distance education subjects covered during that time period. Students must receive a grade of 75% or higher on each distance education written assessment and each practical assessment. Only students enrolled in the distance education program are required to complete these assessments.
7. **Distance Education Assignments:** The institution will respond to student's submission of lessons, projects, and or evaluations the next business day.

COSMETOLOGY MAKE-UP INSTRUCTIONAL TECHNIQUES AND METHODS
