San Francisco Institute of Esthetics & Cosmetology

CAMPUS SAFETY AND SECURITY POLICY

San Francisco Institute of Esthetics & Cosmetology will conduct an orientation for new students and employees, as well as in January of each year, each student and employee is informed of the school's campus security report, procedures, and safety practices. We also review with students and employees the need to be responsible for their own security and safety at all times. In January of each year, we bring a local law enforcement official into the school to review how to protect yourself against crime, how to be responsible for your own safety, and to protect yourself against sexual assault.
