ATTENDANCE POLICY FOR STUDENTS USING VA EDUCATIONAL BENEFITS

For these students, program attendance will betaken daily and reviewed at the beginning of every calendar month. Students using VA Educational Benefits failing to attend the 80% minimum cumulative attendance rate requirement (based on **scheduled** hours) will be put on attendance probation for 30 days and the VA will be notified of this action. The student will be immediately notified via email of their probationary status, as well as what's required to regain good-standing. A copy of this email notification will be kept in the student's file.

VA educational benefits will be terminated if the student does not meet the 80% minimum cumulative attendance requirement by the end of the probationary period. Upon an approved written appeal submitted by the student they will be readmitted to their program on probationary status. The appeal must provide the reason for the prior poor attendance and what has happened to eliminate a re-occurrence of the problem. The school will rule on the appeal within five business days. Only one appeal is permitted per student per program. Students that do not reach the 80% minimum cumulative attendance rate by the end of the new 30 day Probation Period will be withdrawn from the program and not permitted to re-enter and a report will be submitted to VA to terminate their VA Educational Benefits. Any student not maintaining the 80% cumulative attendance standard will be placed on academic probation for 30 days, during which time every effort will be made to help the student meet the attendance requirements. The VA will be notified of attendance probation status.

If a student is absent for 14 (or more) consecutive calendar days without prior approval they will be withdrawn from the program and a report submitted to VA to terminate their VA Educational Benefits.

NOTE: If it is mathematically impossible for a student to make-up enough hours to complete their program by the end of the maximum time frame reported to VA they will be withdrawn from the program and a report will be submitted to VA to terminate their VA Educational Benefits.

SCHOOL POLICY FOR MAKE-UP HOURS

The schools offers makeup hours Monday through Saturday for day and night students. Students are only allowed to makeup hours missed and may not bank hours and attend over 60 hours per week. Hours and availability are limited and are on a first come bases. The makeup hours must be approved and scheduled in advanced by the Future

Professional Advisor.

Note: VA will not pay for make-up hours required due to absences. Students must pay out-of-pocket for any make-up hours after the end of the program enrollment period reported to VA.

SATISFACTORY ACADEMIC PROGRESS POLICY FOR STUDENTS USING VA EDUCATIONAL BENEFITS (SAP)

These students, like all other students, are expected to maintain satisfactory academic progress and to maintain and grade average of 70%. Any student using VA Educational Benefits that is not maintaining an average of 70% will be placed on academic probation for 30 days and the VA will be notified of this action. While on academic probation every effort will be made to help the student meet the minimum grade requirements. If satisfactory progress cannot be achieved after this period the student will suspended and VA education benefits terminated.

CONDUCT POLICY

A student may be put on probation for other than academic and/or attendance reasons. Failure to comply with any of the school policies or regulations and/or abuse of equipment, etc., as outlined in the catalog, will result in the student being suspended and VA education benefits will be immediately terminated. Program re-enrollment will be at the discretion of the school administration and per school policies, as outlined in this catalog.

SCHOOL POLICY REGARDING REPEAT COURSES

This does not apply at Paul Mitchell The School Cincinnati or Paul Mitchell The School Toledo.

PROGRESS CHECKS AND SCHOOL REPORTING POLICIES

For students using VA Educational Benefits their academic progress will be reviewed at the beginning of every calendar month. Students using VA Educational Benefits who do not maintain satisfactory academic progress will be placed on academic probation for 30 days and the VA will be notified of this action. While on academic probation every effort will be made to help the student meet the minimum grade requirements. VA education benefits will be terminated if the student does not meet minimum academic progress standards at the end of the probationary period and be withdrawn from their program.

PRIOR CREDIT EVALUATIONS

Due to the nature of the training at this school, it is unlikely that any previous education or training will be granted. However, students using VA Educational Benefits are required to submit all previous training and study to Paul Mitchell The School at the time of application but no later than the end of their first month. The school is required by VA regulations to evaluate all prior training and grant transfer credit, if appropriate. All veteran beneficiaries will clearly indicate indicate by signing/initialing the school's internal evaluation report if appropriate credit has been granted upon completion of the school's formal evaluation. Both previous education and training transcripts from previously attended schools and veteran military transcripts (JST's, CCAF transcripts, VMET's, etc.) must be provided for evaluation within 30 days of program enrollment. VA Educational Benefit termination certifications will be submitted if these documents are not provided within 30 days of enrollment.

Students with previous Cosmetology study (whether at another Paul Mitchell The School facility or another school entirely) must provide these records for evaluation. If awarded any transfer hours the student's program will be shortened and tuition and fees adjusted accordingly.

LEAVE OF ABSENCE

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance.

LOA will be granted for:

- In accordance with Title IX for pregnancy or child birth.
- If a student is called into active duty for the military.
- On a case-by-case basis, the school will also consider a LOA for a student who has experienced a personal medical emergency with a letter from the student's doctor.

These are the only times leave of absences are granted.

In order to be placed on LOA, the student must:

- Complete and sign the school's Leave of Absence Request Form
- Must state the reason for the LOA
- Students who receive military orders must provide a copy of their military orders.
- Be approved by the Financial Service Office.
- Leaves must be a minimum of 7 days and must not exceed a total of 180 calendar days in a 12 month period. In the case of a student receiving military orders that are less than 14 days, the LOA will be granted for the shorter period of time. This timeframe must be reflected on the student's military orders.

A student on a LOA date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning. A leave of absence will extend the student's contract period and maximum time frame by the same number of calendar days taken in the leave of absence.

There will be no additional charges for a LOA. If the student fails to return or contact the School Financial Aid Leader on the documented return date, the student will be considered to have withdrawn from school as of that date the student began the LOA. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

For federal aid recipients, the student's payment period is suspended during the LOA and no federal financial aid will be disbursed to student while on a LOA. Upon the student's return, the student will resume the same payment period and coursework and will not be eligible for additional federal student aid until the payment period has been completed. If the student is a federal student loan recipient, they will be informed of the effects that the failure to return from a leave may have on the student's loan repayment terms, including the exhaustion of the student's grace period. A contract addendum will be completed upon return from the LOA to extend the contract end date by the applicable number of days.

In special circumstances, the school may grant a LOA to a student in the case of an emergency, where the student is unable to complete the request, such as a car accident or other medical issue (i,e,coma) that would prevent the student from requesting the LOA prior to the incident occurring. In these cases, the school will collect the request from the students as soon as possible and document the reason for the granting of the leave after the incident has occurred. The beginning date of the LOA will be based on the first date it has been determined that the student cannot come to class due to the accident or medical situation.

In order to grant a Leave of Absence there must be the expectation that the student will be returning to school.

A student who is granted a LOA that meets these criteria is not considered to have withdrawn and no R2T4 refund calculation is required at that time.

If a student does not return from a LOA, the grace period for the Direct Loans may have elapsed in part or in whole. If the student uses 180 days of a LOA, the student will have used 100% of his/her grace period and be in immediate repayment of his/her Direct Loan.

VA education benefits will be terminated while the student is on any leave of absence (LOA) period.
